Those who successfully complete a Major QQI Award at BFEI can apply through the CAO system for entry into participating courses in the QQI Higher Education Links Scheme. Progression Options are also available

Applicants should note that progression through the CAO system is competitive and essential entry criteria may apply for particular courses such as a minimum number of Distinction grades - please check out the individual Higher Education Institutions websites for further details or check out www.cao.ie.

through the UCAS (UK) and EUNiCAS (Europe) systems.

The progression options listed here are not exhaustive - please check out the individual Higher Education Institutions websites for a list of all progression options. Options listed are the most relevant, on institutions located in the Dublin/Eastern region.

Other Courses

BFEI also offer courses more specifically designed to provide the qualifications and skills for entry to employment.

Accounting Technician & Accounting Technician Apprenticeship
